Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

---

Demolition of care home & redevelopment to provide for apartment building for 7 self-contained flats, cycle parking, bin storage & car parking.

58 Ferringham Lane Ferring

---

Thank you for your internet representation made on 8th March 2018 which has been recorded as '**an objection**' with the comments as follows:

*The key grounds for objection relates to parking provision and the transport study suggestion that street parking is safe. The study claims that the speeds and traffic volume mixed with pedestrians sharing the carriageway is acceptable. However this is only safe due to the nature of the area and lack of on street parking making the whole road space available for sharing. The development site is on an S bend where no footpaths exists, parking on street would render this location unsafe for walking and cycling given the visibility and speed of traffic. The restricted parking provision on site is driven by an over development of the site*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
