Ms Aird: I have no quarrel with the decision in FG/27/18 but please note that the reference in Condition 14 to the absence of any speed limit in Ferringham Lane is erroneous. There is a 30mph limit, secured by a Traffic Regulation Order two or three years ago. I pointed this out to the Highways Officer who gave the advice and she apologised for not knowing this. I am sorry to see the mistake repeated in your report and in Condition 14.

I am afraid it only goes to show how little reliance Arun planning officers should place on the advice of WSCC Highways when dealing with 'private streets'. – Ed Miller (Secretary, Ferring Conservation Group)
