

Hi Zoe,

Please can you put these subplans against the application FG/27/20/HH?

The changes are: Removal of garage, and change of external materials.

When you know the new NDBD please let me know so I can get an EoT ☺

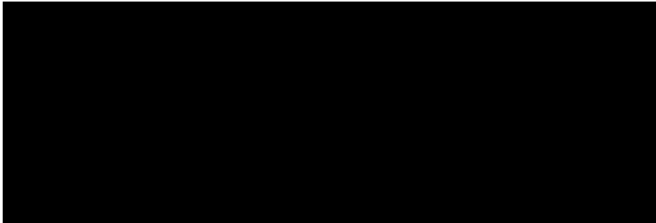

Cheers,

Zac

Good afternoon Zac

Please find attached Revised Plans. We have reduced the side extension to a utility without a garage. Also the materials are now to match existing, therefore, the first floor walls will be tile hung and the extension walls are to be painted brickwork.

Many thanks

June

Hi Zac

I want to know if you have any concerns with this application, but the last time I spoke with you the Planning Department were trialling a new approach by not consulting with Agents and at the time you were not able to give me any feedback.

Thanks

June
