Good morning Iqraa,

• On the location plan it shows my property with a number 3 marked on it. Is there any way you can add the red outline for me or use the original that had a red line around it? I don't want to delay this any further and I haven't got the ability to update this today.

• As you suggest please can you add the annotation for me re elevations.

I really appreciate your assistance with this.

Kind regards,
Steve Sutton

Dear Mr Sutton

Thank you for your email, the application is still invalid for the following reasons:

- Location Plan: You are required to include a red outline around the proposed site on the location plan.
- Elevations: You are required to provide all elevations of the garage please submit or add an annotation to the plan to state that the elevation represents all sides as there's no changes to size/windows. With your permission we can add this annotation for you.

Kind regards
Iqraa

Dear Iqraa,

As discussed please find attached revised plans. As mentioned it will be much appreciated if you can provide me with details of the officer dealing with my planning request so I can arrange a site visit.

Please do not hesitate to contact me on the number below if you require any further information.

Kind regards,
