Mrs A Gardner

3rd April 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 1 No. 2 bed dwelling
South Point 1 Beehive Lane Ferring

Thank you for your internet representation made on 2nd April 2019 which has been recorded as '**an objection**' with the comments as follows:

*I strongly object to this cynical over development of the site at Beehive Lane. Clearly it was always the developers intention to build on this small parcel of land, but to get the modified original application approved it was left as an open space.
The new proposal will impact on the local area for parking, (the application has even indicated it would use one of the existing spaces for the flats!!), and the highways authority in it's comments about parking seem to have ignored the fact that not all of the flats are occupied yet on this relatively small site.
With regards to the proposed building structure this is totally out of keeping with the style of property in that part of Ferring and will be a complete eyesore if it is approved.
I submit the character of Ferring should be maintained for the benefit of the residents and visitors alike, and not be subjected to cheap looking, but undoubtedly money making atrocities such as that proposed.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
