to whom it may concern

I live at 6 meadow way ferring and I notice there is a new planning application for the Onslow caravan park. I hear and see they want to extend the small storage unit that is behind my back garden. this small storage unit didn't turn

out to be small even though we complained last time they put in a planning application. the size of this storage unit is a lot bigger and taller than we were originally told. and now they want to make it bigger. you should come and sit in my garden to see what an eye sore this building is already is and now they want to make it larger. I am extremely not happy about this as this has effected the used of my back garden as now there is even less sun light and its bad enough being a north facing garden and with having this very large unit doesn't help. I am objecting to this new planning application for the caravan park and I want my voice to be herd this time and not ignored.

yours sincerely

Mrs Michelle Roebuck
