Hi Zoe

This needs to be registered as a representation petition on the planning file not my compliance case. Although, I do already have the photos from Mr Chlouk.

Thanks
Lisa

Dear Lisa,

FG/29/20/PL at Onslow Caravan Park

Further to your call with my husband Hamadi Chlouk, I would like to submit our petition with regards the new planning application for Onslow Park, Ferring. We would like to share with West Sussex County Council the petition backed up with 101 signatures, which supports our disdain and disapproval for all previous work resulting in the block-out of our views, along with newly proposed work.

Our comments for the petition were as follows: -

A couple of years ago you approved building work within the grounds of Onslow Caravan Park, Onslow Drive, Ferring BN12 5RX. We were reassured (despite initial concerns it would disrupt the existing peace and quiet we enjoyed in

our back gardens) that this would be a small storage unit to service the site. After petitioning against the planning permission, and whilst awaiting a verdict from the Council to address our concerns regarding our objections, we observed construction beginning on the site regardless.

The next few months greatly impacted our daily life as they proceeded to build the enormous building, with some days' heavy machinery starting at the crack of dawn and I'm convinced was operational outside of the legal building timelines.

This used to be a pretty, well maintained caravan park at the back of our home, where, for the last 28 years we have had no issues with whatsoever (apart from the removal of the trees which amounts to a large loss of habitat for the local avian populations, the trees also gave us adequate privacy and seclusion from the site). Unfortunately, you decided to grant the building to go ahead in their grounds which now obliterates the beautiful view we had of High Down Hill and the South Downs. The building also blocks out any evening sun we lucky to enjoy in our North facing back garden. This structure now effects 5-6 of our neighbours' homes in Meadow Way, Ferring.

We are appalled to see a new planning request go up with a suggestion of '**proposed elevations & roof plan**'. If the roof is elevated, it will make an already dark back bedroom and garden even darker!

The Council's current advice is to get a petition going if we are unhappy about the new plans, so please accept this as our complete disgust and upset that this building was ever allowed to be built in the first place and has now raised its head again for further development. Should heavy machinery go into the structure then this raises many new concerns of having industrial machinery in the heart of residential Ferring.

Please, please take our local comments and views seriously, our quiet pretty little village has already changed far too much over the years for the equivalent of a 'factory' site to be allowed.

As a further note the tidy grass verges along Onslow Way have been churned up by large vehicles gaining access to the site, and this is even before the owner has expanded large building space.

If the past flagrancy to Council procedure allowing residents to adequately voice their concerns is allowed to continue, we will be left with no other choice than to explore every option available to us.

Kindly also review and take onboard the comments left by family, friends and other local residents on the following link: -

https://www.change.org/p/arun-district-council-stop-further-building-work-on-onslow-caravan-park-site-ferring?recruiter=449769590&utm_source=share_petition&utm_medium=facebook&utm_campaign=petition_dashboard&recruited_by_id=f85337e0-a415-11e5-89c1-95c5ea47c2c2&utm_content=starter_fb_share_content_en-gb%3Av13

We look forward to working with you in coming to a resolution on this issue.

Kind regards,

Mr & Mrs Chlouk

10, Meadow Way, Ferring
