Dear Mr Wood

Re: FG/30/19/PL

I have looked at the plans for the proposed building of a bungalow between 1 and 2 The Grove, Ferring and must say I support them fully.

There has been much development in Ferring that doesn't fit in with the village but the design of this bungalow does fit in well with the neighboring properties, providing good accommodation with ample parking so I see no reason for any objection or refusal so I have nothing but support for this application.

Yours faithfully

Margaret L Gilpin (Mrs)

I am writing to you in response to your letter of 13 April 2019 regarding the proposed development at 1 and 2 The Grove, Ferring. I am pleased to hear that you have looked at the plans and support them fully.

I am sure that the proposed development will be a valuable addition to the village and will provide good accommodation with ample parking.
