Dear Mrs Taig,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: Front Garden
T1 - Pine
Remove major dead and diseased wood, 25mm in diameter and over.
Remove 2 x limbs growing towards and over the properties (growing north west) Remove 13 x secondary limbs over the highway - 4 x growing south west, 4 growing south east, 5 growing north east to create a uniform skirt with statutory height clearance over road.

The subject tree is located in a domestic front garden and in need of some remedial pruning. With growth encroaching onto properties and low growth over the highway the suggested work will reduce this problem. The proposal is unlikely to have an adverse impact either on the health of the tree or the character and amenities of the local area.

ALL ITEMS INCLUDING REMOVING ARISING DEBRIS, LEAVING SITE CLEAN AND TIDY.

Location: 5 Green Park Ferring BN12 6QX
