Dear Mrs Taig,

The above application at 5 Green Park has received comments from the tree officer and the application in its current format has been decided for refusal. However, the tree officer would like to propose a revised proposal to you. Please see below:

- Remove 2 lowest limbs growing over property (NW aspect), remove 2 lowest limbs growing over property (NE aspect), remove 3 lowest limbs growing over carriageway (SW aspect), remove 3 lowest limbs growing over carriageway (SE aspect).

Note: Lowest hanging (height of foliage bearing tertiary branches) rather than lowest at point of origin on main stem.

If you agree to the revised proposal the application will be approved, please can you email me back to confirm this by **Monday 19th April**. If I do not receive a response by this date this application will be refused.

I look forward to hearing from you.

Many thanks

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.
