Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/32/25/HH
Site Address: 1 Greenways Crescent Ferring BN12 5EF
Description of works: Erection of 1.8m high close boarded timber fencing along the eastern boundary.

Thank you for your internet representation made on 4th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75240

Has there been a mistake with this application? In the application there is a signed declaration saying that the land to which the application relates to is wholly owned by the owners of no1. This land is defined by the red line. The drawings show the fence line comes out to the kerb beyond the existing fence and bushes even takes in the muddy bit where there is no made road. This would be very imposing on the road and houses opposite this current proposal.

As it stands every planning application in Ferring would include a site boundary back to sea lane which of course they don't.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date

of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning

Essential IT work is being carried out for Planning and Building Control from 4 pm on Friday 4 April until Friday 11 April. During this time, you will still be able to make planning and building control applications, view planning applications and make comments on planning applications but staff will have very limited access to be able to process them. We will have received everything submitted to us but there will be a delay in the processing of new applications and the publishing of new information received after 4pm on Friday 4th. There will also be a very short period of downtime on the website on Friday 11th as the links are updated. We apologise in advance for the delay

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
