Dear Sirs,

I would like to strongly object to the application for 42 industrial-type containers for commercial storage and all that goes with it as this is a green rural countryside area NOT a Industrial park that this application will turn it into.

I am led to believe that the land above Littlehampton Road is protected from unsuitable development which this

· certainly is.

Plus the fact that the track which serves this area is totally unsuitable for heavy vehicles that this would cause

All of it would be a total intrusion to this rural area of Highdown in the National Park.

Yours faithfully.
