Dear Mr Barkham,

The earliest the application can be decided is at the next available committee on 14 July but it will only go on the agenda if you agree to an extension of time to 16 July.

Dear Mr Bloomfield
I am currently on holiday and confirm agreement to an extension of time to Wednesday 13th June to discuss further upon my return, including with my client. We were hoping the app would go to the June committee!

Dear Mr Barkham,

Thank you for your email received today on my return from leave.

I confirm that I have recently taken over this application from Ross Leal and am aware that it has overrun the target date on 27/4/18. I have visited the site and will try to deal with the application as soon as possible.

However, as the proposed development would be a departure from the Development Plan and objections have been raised by Ferring and Kingston Parish Councils, it is likely that it will have to be reported to the Planning Committee. In these circumstances I would be grateful if you would agree to an extension of time to 16/7/18.

Kind regards,

Tim Bloomfield

Dear Mr Bloomfield,

Have you taken over this application from Ross Leal as the new Case Officer?

I received no reply to an email sent to Mr Leal and would appreciate your assistance with a reply to my questions below. I did leave a voice message on your phone last week.

Thank you in advance.

Dear Mr Leal

Re: Land at the former McIntyre Nursery, Littlehampton Road, West Sussex BN12 6PG

Demolition of polytunnels, use of land for Class B8 container self-storage and the siting of 42 single-stacked storage containers, an office/toilet portacabin, new fencing, gates, CCTV, lighting and alterations to the entrance.

Before I left on holiday, you had yet to come to a view on the app. Now that I have returned, I note the app has not been refused under delegated powers. Does this mean that your report will recommended approval to the committee?

Assuming this to be the case, it would be helpful to know your timing to complete and make available your report, whether as a draft or as a finalised document.

Also what date for the meeting?

Thank you in advance.

Regards,
John Barkham BSc FRICS
