Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Hi Daun,

Good to chat earlier.

I've previously submitted FG/34/21 and its been registered (only just). I've had to amend some of the applicant details so wish to resubmit the application form – everything else stays the same. I couldn't find how to do it on the planning portal website hence my panicky phone call to you but I've since now done it – not sure whether I've helped the situation or not by doing so but there didn't seem any way to just amend the form and send direct to you it had to be done on the planning portal?? Anyway the new ref is PP-09575713.

Let me know if I've confused matters!

Regards.
