Ref: - Planning application FG/34/21/HH

Dear Sirs,

Concerning planning application for 50 Ocean Drive Ferring my objections are as Follows :-

- 1 This seems to be a huge development compared to the size of the existing property which would not fit comfortably on this site.
- 2 Two small bungalows north of the proposed development would be starved of light.
- 3 The second level rear balcony would overlook a number of properties and would be totally out of order.

South Ferring is slowly being spoilt by over developments and inconsiderate Planning.

Yours truly

Mr. G.T.Craddock
