Environmental Health: No objection.

I note comment from Mr Smith and Mr Baldwin their letter, Reference Number 4115, FG/52/18/PL requesting 5 deliveries from Holland between 05:00 and 6:00am, Tuesday to Saturday in order to allow proper operation of their business which this latest application reiterates. I would prefer a condition if possible, that the number of such lorries arriving at any one time should be no more than 2 so that lorries can pull up straightforwardly without need for manoeuvre.

Informative.

The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received. For further information please contact the Environmental Health Department on 01903 737500.
