Dear Liz,

Following on from our conversation on Friday last. Please would you be so kind as to correct the error in the above report by confirming that:-

- * Twilight hours.....should read between 04:00 and **04:57** rather than 0557 hours and
- *...Important that Quercus are not unloading during the times of 04:00 and **04:57** hours rather than 05:57 hours

If you could get back to me as soon as possible please Liz?

Thanks very much

Carol
