Dear Ms Welch

Following on from our telephone conversation, I wanted to advise that I would like to withdraw this application. Can you please confirm that I am able to submit a new application without the payment of a fee, if submitted within the next 12 months?

Best regards

Malgorzata Grzyb

Dear Ms Grzyb,

Further to our last discussions regarding the plans for the previous application and following discussion with two teams leaders for this application, we are still having problems reading the plans.

Unfortunately I'm going to suggest that you withdraw the application once again or I will refuse the application on the basis that the plans are not clear enough to proceed with. I fully understand what you are trying to achieve, however from my previous experience I also know it wouldn't be built as drawn which would lead to you breaching conditions set on any approval, this in turn could lead to a problematic experience with the Enforcement Team.

I would be grateful if you could withdraw the application before the end of this week, otherwise I will start to prepare the refusal decision.

Kind regards,

Kathryn Welch
