Dear Zac,

Further to my email below, I would very much appreciate the courtesy of a response and to be advised that a positive decision has now been made with regard to my application.

I have currently planned for the work to be undertaken on Friday 14th June 2019 as we should have received a decision well before now and as you are aware I have already had to re-arrange this once before and do not wish to have to do so again.

Please can you therefore advise me urgently the outcome of my application, failing which I will have to exercise my right to appeal to the Secretary of State.

Regards
Tracy Randall-May

Dear Ms Randall-May,

I have not yet received a response from the Council's Arboriculturalist on your application.

I have chased them, and will try and provide you with a response as soon as possible.

Apologies for the delay,

For the Attention of Zac Denton

Further to my application for works to trees at Elford House, I wondered if a decision has been made.

I have a tree surgeon who now has a slot free on Friday morning and am keen to get the work done subject to approval from the Council.

If there is any way that my application could be speeded up and a decision notified then this would be very much appreciated.

Regards

Tracy Randall-May
