OWPC45684

This is another attempt to ruin our village This application is on the junction of two private roads which are both cul de sacs. This we cause untold disruption and permanently spoil the entrances to both roads There is not enough access to this site from Sea Lane and again will cause untold damage to the entire environment both on public and private roads in vicinity There is obviously still not enough local amenities in our area le schools doctors emergency devices etc and this will cause another erosion of these. On this basis I object
