REF. Planning application FG/39/18PL

Demolition of existing property and out buildings and erection of new showroom, workshop, head office etc, for Worthing Peugeot, Littlehampton Road, Ferring.

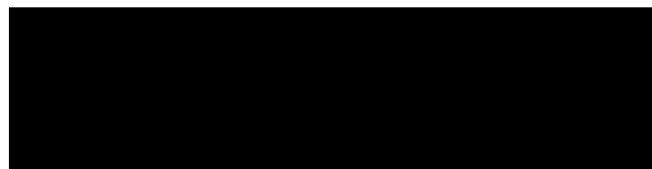

I wish to oppose the above planning application for the following reasons.

- 1) A perfectly good bungalow was knocked down some while ago by this garage and now this area is a used car lot.
- 2) This garage site has sprawled northwards gradually and will soon be taking over a very large area towards the downs.
- 3) Access to the garage is onto the very busy Littlehampton Road and they are also using Hangleton Lane which also comes out onto the Littlehampton Road.

This garage is opposite my home and I can see the buildings and all of the lights from my kitchen window.

We do not need any more building in this area, generating more cars both from customer's cars and cars for sale on a large open plot.

Please turn down this application before the urban sprawl becomes bigger.

Mrs. Julie Baker.
