

Pls can you add both of the attached as substitute plans and supersede the previous versions

Thanks
Amy

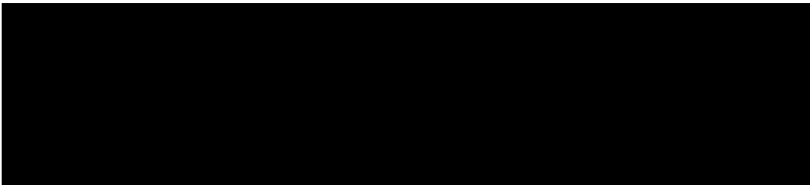

Good morning Amy,

No problem at all, amended pool house drawing attached and for completeness, the amended proposed site plan too.

Kind Regards

Euan

Hi Euan,

Hope you're well.

We have received an email from the neighbour at no.2 Grange Park questioning the change from flat to pitched roof for the pool house, and suggest significant impact from such a high ridge height. I had wondered this myself as it is a very high ridge height at 6m due to the equipment I think?

I have checked this with my Manager and they have said 'Given outbuilding is due west of one to rear think flat roof version has less overshadowing/overbearing impact.'

As such, sorry to be a pain, but can you send me please the amended physio pool drawing sheet with the flat roof instead? I'll then swop that back in.

Sorry and thanks!
