Obafemi, I have responded on behalf of Ferring Parish Council but we are concerned that the communications from the clients / agents do not seem to appear on the public file, specifically in regards to the operating hours. Perhaps you could ensure these are clarified on the portal.

I have also appraised Mr. Miller of the Ferring Conservation Group and should you wish to approach him, I am sure he would have no further requirement for this to go before the planning committee. The Parish Council has no objection to the correspondence on this case being shared with Ferring Conservation Group and request that our correspondence is attached to the public file.

Thank you.

Thank you Obafemi. I will also let the Ferring Conservation Group know (who registered similar concerns).

Dear Mr. Okusipe, thank you for raising our concerns with the applicant/agent. It would appear that their response has confirmed agreement to consent to the changes and conditions which would resolve matters.

Could you please confirm that if approved, the items raised will be included in any Decision statement including reference to the Sui Generis status specifically that would not give any grounds for citing as a precedent.

I will Chair our Parish Planning and Licencing ctte meeting on Monday and if you are able to confirm by then, I can put it to members that we will acknowledge that the changes and conditions will satisfy our previous objection.

It seems likely that this will also satisfy the other objectors, in which case it could avoid going to the ADC Planning Ctte.

Thank you.

Regards,

Cllr. Stephen Abbott
