Dear Aishwarya,

I hope that you had a good weekend?

I have now consulted with my client and we are ok to drop the wall height down to 1.2m if this will be acceptable? I attach the revised drawing for your consideration and I hope approval. It is noted that there are other similar walls in the road. If there is still concern, then we would consider removal.

Please let me know your preference.

Kind Regards,

Simon

Dear Aishwarya,

Thankyou for your email. Ok noted, I shouldn't see it as being a problem to remove or amend the boundary wall but I will need to check with my client first.

If a lower wall and gate was proposed say 1.2m but of same style, would that be acceptable? i.e akin to No. 1 Sea Drive

Kind Regards,

Simon

Dear Mr. Harvey,

On review of the application, I am writing to seek amendments to the proposed scheme of works. We do not any concerns with the alterations proposed to the main dwelling.

The proposed boundary wall and front gate appear out of character within this street scene. As it stands, the front gate and boundary wall will need to be removed from this application.

Please confirm if you wish to proceed with the alterations to the main dwelling.

Please feel free to reach out for any further clarifications.

Thank you.

Kind regards,
