Good Afternoon

Unfortunately I am unable to convert to a Word document.

I have attached a blank application form, if it is easier please print and complete the application form and post to the address below, marked clearly for my attention and quoting reference FG/44/20/T.

Kind Regards

Nicky

Good Afternoon

With reference to my email below, I do not appear to have received the missing parts of the application form.

Therefore, please could you complete sections 9 – 12 and return to me by close of business on 12th June. If the completed form is not received by this date, the application will be returned.

Kind Regards

Nicky Moore

Hi Richard

With reference to your email, thank you for clarifying regarding the height of the trees.

With regards to the application form, unfortunately, I am missing parts 9-12 of the application form. I will therefore need the missing parts (9-12) to be forwarded to me (I have attached a blank form for you to complete). Once these are received the application will be validated.

Kind Regards

Nicky Moore

Hi Nicola I'm very confused as I sent the application and all completed and with regards to the specified meters et cetera as we were only pruning the side of the tree and not the height I'm not sure how you want that written as stated in my application the works to be carried out?

Good Afternoon

Thank you for the attached copy of the application form.

As per the attached copy of my email, the sections required are 9, 10 & 11. Please complete and return to me by 20th May.

Also, please provide the proposed height of each tree, in metres, after pruning.

Kind Regards

Nicky Moore

The trees in question are four mature pine trees all in good health approximately 50 foot tall, over the years the trees have naturally grown to the East and the long protruding branches overhanging the properties along the road the proposed works would be to reduce the canopy's on the East side by around 3 metres back to growth point's as part of a five year maintenance plan on this state all works will be carried out to British standards 3998/2010

Many Thanks

Richard Moore.
