Dear Sirs.

Re Planning Permission for
Nos. FG/26/15, FG/45/15 and
FG/46/15

I should like to object to the
Planning Applications for the
above.

This used to be a quiet
country area and the above
part of Ferring is going
to be totally spoilt.

Added to which the A259
is constantly used and at

peak periods over-crowded
as it is. If these planning
applications are granted
the access road will make
life impossible when
driving on the 259.

Thank you for your
attention to this matter.

Yours sincerely,

Green TEALE.
