Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/20/PL
Site Address: The Tudor Close Public House Ferringham Lane Ferring BN12 5NQ
Description of works: Conversion of the existing Public House (Class A4) to create 7 No residential units comprising 5 No 1-bedroom units & 2 No 2-bedroom units & the erection of 2 No 2-bedroom semi-detached chalet bungalows with associated car parking & landscaping. This application may affect a Public Right of Way.

Thank you for your internet representation made on 25th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27206

I feel very strongly that to build on the Tudor Close site would be a huge mistake. The accommodation proposed would be so cramped and the disappearance of the only pub in south Ferring would be an enormous pity. North Ferring has the Henty Arms and no doubt is very popular with people living in that part of the village. If the Tudor Close goes, how are people to meet and enjoy the company of their friends? Being able to walk to one's local is an important part of village life, particularly if themed evenings, quizzes, etc. are laid on. We who live in south Ferring would have to walk or drive to the Henty and it's too far away to be a convenient alternative. It would be very sad to lose the pub altogether but maybe part of the existing building could be retained as the Tudor Close pub where villagers can meet. Would this be possible?
