Agent correspondence pls upload.

Dear Andrew,

Further to our telephone conversation yesterday and ahead of receiving your formal comments on the application by next Thursday (4th May 2020), please find attached a formal notice letter which has been received from the current operators of The Tudor Close.

The attached letter demonstrates that the current operators can no longer operate viably and have had to give up the tenancy. The Tudor Close will therefore remain shut, regardless of the Covid-19 outbreak.

We would request that this letter is considered in the determination of this application and look forward to receiving your comments next week. Please note that we have redacted the current operators signature from the letter.

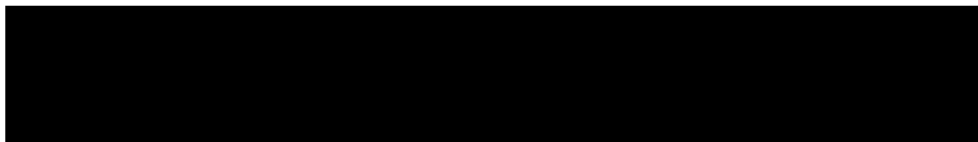

If you have any queries or require further information then please do not hesitate to contact either myself or Huw.

Kind Regards,

Rebecca Hoad MSc Town Planning
