Following the recent notice for application to convert the Tudor Close to residential housing I feel compelled to write and object. Having lived in south Ferring for over 6 years now, the Tudor close was one of the key factors that compelled us to moving to the village. Steeped in history of the village, although it has been showing signs of neglect and poor management it is still a central meeting place for the community of South Ferring.

Having read through the statements and the proposal, it is clear that this is a money making exercise by an owner who is looking to make a fast buck. Over the past few years the owner has made no provision for upkeep. This has been exacerbated by installing management teams that have no understanding of community or have obvious experience of running pubs successfully.

Retention of a pub in South Ferring, it is clear something needs to change to make the pub a viable proposition to any new owner, this should be a key factor as part of any suggested development.

I would hope that the planning committee will ask for a consultation with the community as you can see from the submitted comments that there is a great deal of passion to retain the Tudor close.

Your views as made above will be considered before the application is determined.
