Thank you for your internet representation made on 1st June 2020 which has been recorded as an objection with the comments as follows:

OWPC27397

We have used this hostelier for many years, the plan is an overdevelopment, which will cause so much disruption in this quiet peaceful village. The increase in traffic, noise & pollution would make it impossible to walk safely in this tranquil environment which is why so many of us chose to retire here. We will miss this friendly meeting place which is within walking distance of most and situated in the heart of our village.

Your views as made above will be considered before the application is determined.
