Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 20th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35241

While Ferring Parish Council does not object in principle to the further development of this site, it is considered that the plans as presented constitute overdevelopment.

Of primary concern is the eastern elevation where the dwelling appears to extend tight to the boundary with no access available to maintain the building without incursion over the neighbouring private garden. This will clearly raise issues for future residents of the proposed new property and also potentially for neighbour disputes over access. Such elements are to be avoided in new building design.

This, together with inadequate parking and outside amenity space appropriate for a two double-bedroom detached residence, demonstrates that the size and footprint of this proposed dwelling cannot be accommodated within the confines of the small plot available.

Your views as made above will be considered before the application is determined.
