Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 21st April 2021 which has been recorded as an objection with the comments as follows:

OWPC35277

I am writing to object to this development. The plans are clearly in contravention of Arun's own local planning/design guide. The property will have a detrimental affect on surrounding properties, reducing their privacy and daylight. The property footprint relative to plot size is entirely inappropriate for the location.

Although I am not yet a local resident I plan to move to Ferring/Goring-on-Sea when I retire in the next couple of years. If this property is approved I would be very concerned about buying in the area because of the risk of similarly inappropriate development being permitted, and the negative impact that would have on the value and enjoyment of my own property.

Your views as made above will be considered before the application is determined.
