Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 23rd April 2021 which has been recorded as an objection with the comments as follows:

OWPC35336

Ferring Conservqtion Groip objects to this application. Such a large house in such a small plot constitutes overdevelopment, and it is clear from the drawings that the proposed house would impact unfairly on the neighbour in Brook Lane.

In-filling like this is ruining the open texture of the built environment in Ferring. Building a house here does nothing to meet the real housing needs of people in Arun and reduces the quality of life for those who live in quiet corners of Ferring like this - Ed Miller (Secretary, Ferring Conservation Group).

Your views as made above will be considered before the application is determined.
