Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 25th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35380

The proposed plans for this 2 bed house over two floors are a total overdevelopment of this tiny piece of land, that was left over from the back garden of number 28/30 Brook Lane when these properties were refurbished a couple of years ago. The proposed house is totally out of character with the other single storey homes of the Grove. The property being built right up to the eastern elevation, extends tight right up to the boundary of the neighbouring property, which will leave no access for maintenance in the years to come, causing possible neighbour disputes in the future. You would also have to have an incredibly small car to use the second car parking space, which would be needed to be utilised in this narrow road with practically no on street parking.

Your views as made above will be considered before the application is determined.
