Nice Plan WRONG location

I would like to express my opposition to the above planning application for development of former garden land at the rear of 30 Brook Lane. The proposal is not in keeping with the residential area adjacent to the plot. The proposed building will impose on existing gardens and properties and the small size of the plot would mean the proposed building being built up to the boundary line of adjacent properties and being double storey would restrict light.

Access will only be possible via The Grove which is a very narrow road to the existing 14 properties and to the Brook Lane properties which have vehicular access to the rear of their properties, as well as difficulties for service, emergency, and private vehicles.

Your views as made above will be considered before the application is determined.
