Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 29th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35562

Visibility splay investigation is required for rear parking exit/entrance from 24 Brook Lane with The Grove. Proposed parking space obstructs line of sight

Not enough parking space on the proposal. The Proposed Ground Floor Plan, which shows parking spaces, is larger than the plot available. Parking already a problem locally with no on-street parking in The Grove.

Does not meet Arun Council's Design Guide for minimum space between windows to habitable rooms

Does not meet Arun Council's Design Guide for minimum depth of outside space

Overdevelopment of a garden plot causing it to be too close to neighbours on three sides, blocking daylight and having an overbearing presence due to height and proximity

Loss of privacy to neighbours on three sides where windows overlook properties at close quarters

Out of keeping with the rest of the bungalow properties in The Grove

Your views as made above will be considered before the application is determined.
