Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 29th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35581

This is an entirely inappropriate development. It lacks the space for extra car parking, it will be completely out of character with the surrounding properties and most likely stick out like a sore thumb. Any cars associated with the property would cause obstruction for passers by and other traffic in a tight area. There have been a number of recent cases where one plot in Ferring has been over developed and flats crammed in, this practice needs to stop now, it is encouraging thoughtless development and destroying the character of the village and it does not fit in line with the plan on which we all voted and approved.

Your views as made above will be considered before the application is determined.
