Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 30th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35618

A total objection to this crazy idea. It would be wrong for any go ahead to be given for all the reasons that the many objectors have already and clearly pointed out. The plot is TINY, an ever increasing eye sore that needs completely fencing round for health and safety reasons alone and including the 'asbestos hazard' garage that was part of the former semi-detached property on the corner of Brook Lane/The Grove. Accessibility would be a constant major concern for all who LIVE in The Grove. A really bad idea that should never be given any approval whatsoever. The well-being of The Grove (and Ferring) and its residents is at risk. Please do not let this happen. Thank you.

Your views as made above will be considered before the application is determined.
