Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 3rd May 2021 which has been recorded as an objection with the comments as follows:

OWPC35678

The land relating to this planning application is part of the garden of 30 Brook Lane. The use has been changed into storage of building materials and car parking.
Care has been taken to ensure that all the dwellings on the east side of The Grove remain as bungalows with adequate off street parking.
This development will obstruct the environment of adjacent properties, cut off light to the rooms and gardens of neighboring properties. The lack of adequate off street parking (all the properties in The Grove have room for at least two vehicles comfortably off road) will obstruct access for emergency vehicles. Emergency services frequently in use because of the aging occupants of The Grove.

Your views as made above will be considered before the application is determined.
