Application No: FG/46/21/PL

Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 3rd May 2021 which has been recorded as support with the comments as follows:

What a delightful house, efficiently designed to minimise use of fossil fuel as much as possible, so important in this day and age!

It fits in an unusually small plot that is at present seems to be a builders yard, doesn't appear to be out of keeping with neighbouring properties and use of roof lights prevents it overlooking other gardens on its boundaries!

I fully support this individual, eco friendly house!
