Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 3rd May 2021 which has been recorded as support with the comments as follows:

OWPC35688

Having been looking to buy a 2 bedroom house in ferring this property would have been ideal, sadly it is yet to be built but would have suited my needs.

I've lived in Worthing all my life but spent a huge amount of time in Ferring as my aunt lived there as long as I can remember.

The problem with wanting to live in Ferring is the rarity of affordable properties, this development will clearly be a help towards solving that problem with the added benefit of appearing to be designed to be an inexpensive property to run, highly insulated etc as all new builds should these days,

I give my full support and hope that planning officers agree, how could they not agree to such a lovely house, designed thinking of the environment and fitting so well into the Grove?
