Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: FG/46/21/PL  
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring  
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 5th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35751

The proposed building will be a overdevelopment on a very small plot of land. It will be far too close to the neighbours and there will be a severe lack of privacy on 3 sides.

This development will block out any natural daylight due to the height of the house, from the whole of the back of my house for the entire day and again, a total lack of privacy as the windows will be facing onto my bedroom!

As for the parking issues that this will cause on an already crowded and small development! I can not agree for this development to be approved in any way shape or form.

Your views as made above will be considered before the application is determined.
