Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 10th May 2021 which has been recorded as support with the comments as follows:

I would like to support this planning application.

I am a Ferring resident and realise the need for smaller well designed property. It features a small garden that will suit many people rather than oversized gardens of the many bungalows in Ferring that become hard for elderly to manage.

It is a great use of a small piece of land and doesn't overlook neighbours properties with the clever use of roof lights rather than windows to elevations that would overlook gardens.

It is positioned well away from other houses and the roof being used to contain bedrooms makes the property unimposing, very well thought out.

It is a natural infill that I can see no reason that planning officers can refuse,

Alison Collins
