Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/46/21/PL
Site Address: Land between 11a The Grove and 30 Brook Lane Ferring
Description of works: Development of 1 no. 2 bed house set over 2 floors, with first floor being partially contained within roof, along with associated parking & amenity spaces. This site is within CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 12th May 2021 which has been recorded as support with the comments as follows:

OWPC36151

Having worked around Ferring in my capacity as an interior designer and look at planning applications with interest, I can only give my full support to this well designed property on what seems to be a builders yard at present.

There is such a need for smaller properties in the area, affordable and manageable for older people.

The design has incorporated as much towards being of a low carbon footprint , not only using renewable materials for building but also limited carbon use with air source pump heating and hot water plus heat recovery system, these should be standard on all new builds for the sake of the environment!

I wholly support this application,

Lisa Brass
