Hello Mr Askew,

I write to you regarding the above application. I noticed that within the application form and upon my site visit that the works noted in this proposal have been carried out already. Could I therefore request your approval to amend the description to reflect the status of the proposal. The description currently reads 'Replacement of roof void window to sliding doors.' The amendment would read 'Approval for replacement of roof void window to sliding doors.'

Could I request, if agreeable, a response verifying your approval for this amendment **at your earliest convenience?**

Kind regards,

Harry
