Dear Mrs Gunn,

Please find attached the photograph we discussed on the phone. Please highlight which branches you wish to remove.

Many Thanks

Thank you for your reply the front branch on the our tree at no 7 is nearly bare and weak looking we would like to remove it as it could be a danger if it fell in the road as it often happens with the thin branches. The back ones, two to three metres to clear our bungalow guttering roof and we suffer with the pigeons fall out on our gates, please let me know if I am doing this wrong as quite new to it.

Kind regards,

Linda Gunn

Thank you very much for letting me know, my neighbour feels sure hers is but you must be correct, we would like to remove front limb as it is bare all by a half a metre and two three of the others is ok with us.

Many thanks.

Dear Mrs Gunn,

Apologies for any inconvenience however unfortunately there was some confusion as to whether the trees on your site where the subject of a Tree preservation Order or not. An officer has been out to visit the site and had determined that the Pine tree at 11 Ferring Lane, Ferring does not form part of the Tree Preservation Order, therefore the application reference FG/6/15/T will be closed and returned to you.

The application for tree works at 7 Ferring Lane however will remain open, could you just confirm how much (in metres) you wish to remove from the Pine tree.

Once again apologies for any inconvenience.

Many Thanks

Charlotte

Dear planning department,

I sent in two applications nearly 4 weeks ago for 7 Ferring lane and 11 Ferring lane for tree works ie trimming back branches, I'm wondering when they will be advertised on the site as I rang a couple of weeks ago and was told it was being dealt with. Thank you for your help with this matter.
