Dear Mr Wood,

We are happy to confirm the recommendations as noted in your colleagues previous communication has been incorporated. We therefore attach our Highways Consultant's updated D&S Plan. Can this Condition now be discharged?

Regarding our application ref: **FG/171/18** being monitored by Mrs Gardner. We note the only requirement here was to illustrate the already consented road widening permitted under PA A/114/17. To confirm, these widening works have been completed, for which we were not involved. Our updated Construction Management Plan (CMP rev D) is therefore attached. We therefore trust that this condition can now be suitably discharged.

We look forward to receiving discharge notices in due course.

Kind regards,

Kevin
