SIDE (S)

composite GLP flat roof

powder-coated aluminium
or grey PVC windows/doors

face brickwork

A hand-drawn sketch of a house. The house has a gabled roof. On the right side of the roof, there is a small structure labeled "roof lantern" with an arrow pointing to it. The house has a chimney on the right side. There are two windows on the right side of the house, one above the other. A dashed line is drawn across the middle of the house, possibly indicating a window or a door. The drawing is done in a simple, sketchy style with some shading.
