16th May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Amendments to design approved under FG/95/16/PL, polytunnels, outdoor growing beds, tree nursery, storage & welfare facilities for a horticultural enterprise.
Quercus Nursery Littlehampton Road Ferring

Thank you for your internet comments made on 15th May 2018 which has been recorded as **'an objection'** with the comments as follows:

Whilst Ferring Parish Council recognises that this is agricultural land and sincerely supports local businesses of this nature in the designated location. We raise a concern and must object to the amendment of the polytunnels.

The proposed size of the polytunnels will fundamentally affect the landscape and impact on the surrounding area. At 3.9 metres in height, the proposed polytunnels will alter the visual impact of the site.

Concerns are also raised in relation to the operating hours. Whilst the opening hours are Monday to Saturday from 9.00am. to 5.00pm, the parish council is aware that lorries arrive to deliver and collect from the site at unsociable hours producing noise and lighting disruption to local resident. If the application is approved, we urge that conditions in relation operating hours are considered to respect and not the cause a disturbance to the local residents.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
