Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Amendments to design approved under FG/95/16/PL, polytunnels, outdoor growing beds, tree nursery, storage & welfare facilities for a horticultural enterprise.

Quercus Nursery Littlehampton Road Ferring

Thank you for your internet representation made on 27th May 2018 which has been recorded as '**an objection**' with the comments as follows:

It came to my attention that applicant built a much bigger facility than permitted and this is already causing noise at night and traffic problem to us already. This place should be operating day time only but this is not the case at the moment. Also this would intensify uses at the side which would resulting more traffic to public access routs and to the highway.

kind regards

Y Ahmet

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website <https://www.arun.gov.uk/planning-privacy-statements>.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
